Please Note: You must file the 2023-2024 Free Application for Federal Student Aid (FAFSA) before submitting this form. After your FAFSA is processed through the Department of Education, you will be contacted by our office to complete any additional documents that may be required. Once your financial aid file is considered to be complete by our office, you may then submit this appeal.

This appeal is used to request an adjustment to the income reported on the 2023-2024 Free Application for Federal Student Aid (FAFSA) due to a change in circumstances during the calendar year. Information obtained will be used to evaluate projected income in place of 2021 income from the FAFSA to determine if adjustments can be made that present a more accurate picture of your current family situation.

Only complete forms with appropriate documentation will be considered. Appeal process will take seven to ten days to complete. **You may be required to schedule an appointment with the Financial Aid Office at the Dowagiac Campus in order to have your appeal reviewed.** If you have any questions, or would like to make an appointment, call the Financial Aid Office at (269) 783-2143.
